

The FNBFA fully supports CUPE in New Brunswick

(Fredericton, NB, November 2, 2021) The Federation of New Brunswick Faculty Associations (FNBFA), representing public university full-time and part-time faculty, librarians and researchers in New Brunswick, wishes to express its full support for the Canadian Union of Public Employees in New Brunswick (CUPE NB).

We support the freedom of association and right to strike and therefore, it is without reservation that the FNBFA and its member associations (ABPPUMCE in Edmundston, APPUMCS in Shippagan, AUNBT in Fredericton and Saint John, FAUST in Fredericton and MAFA in Sackville) are participating in CUPE NB solidarity activities whenever possible.

The FAPPUNB opposes government coercion in all its forms and asks the Premier to demonstrate his good faith by inviting CUPE NB to come back to the negotiating table, so that together they find the best way out of this crisis.

About the FNBFA:

The Federation of New Brunswick Faculty Associations represents the interests of approximately 1,500 professors, contract academic staff, professional librarians, and researchers at New Brunswick's four public universities. It advocates the advancement of the standards of their profession and seeks to improve the quality of higher education in the province.
